INCREASE IN THE PUBLIC MAPP.

It is now said the increase in the public debt for August is eight or ten millions. A prominent official of the Transary Department gives as the case for the immense increase the payment for the Alaska purchase, \$7,500,000; the immense army expenses, which were nearly as much as that of all the other departments of the Government together; a decided falling off in the internal revenue collections. This increase of the debt occurs, too, when the collections from various customs have been
